

About Face Dental Seminars

“The Ultimate Recare Visit”

AGD Course Code #490

The recare visit is one of the major staples in the dental practice. It is integral to practice success. This program will discuss methods of achieving “The Ultimate” in a recare visit.

This seminar asks doctors and hygienists to communicate and to synchronize their objectives as to recare visit priorities. Virtually every aspect of recare protocol will be thoroughly examined, as well as the rationale behind each step of the protocol. Clinical decisions are a collaborative effort between doctors and hygienists. Supporting research as to current cutting edge concepts in clinical practice management will be presented.

In this competitive era of dentistry, it becomes critical to distinguish your recare visit. Emphasis will be placed on integration of service-oriented philosophies into every aspect of the recare appointment. Examples of superb protocol and services will be provided and discussed.

Tuition: Lecture 9AM-1PM (\$80)

Lecture plus Lunch & Learn Workshop 9AM-3PM (\$120)

Credits: (4 or 6 credits). Massachusetts, Rhode Island and New York state boards of dentistry accept CE courses that are directly related to dentistry and offered by an approved PACE provider of the Academy of General Dentistry. About Face Dental Consulting is designated as an Approved PACE Program provider by the Academy of General Dentistry, for FADG/MAGD credit. 6/1/2007 to 5/31/2010.

Date: See list for dates of seminars.

Location See list for locations.

Course Objective: The purpose of this course is to enable participants (doctors and hygienists), to design and implement, an ultimate recare experience for their patients that reflects the unique philosophy of their practices. Clinical protocol will be thoroughly examined, as well as the rationale for each segment of the protocol. Every participant leaves with the information and inspiration to make practical applications immediately.

NEW!!! Join us for a 2 CEU interactive lunch workshop following the formal lecture. Put your new recare visit wheels “in motion” via interactive discussion & practical applications. It’s an opportunity to problem solve & hear your colleagues.

4 hour program includes coffee/tea/bagels. 6 hour program includes boxed lunch during workshop. All hotels offers complimentary parking. Attendees leave with course completion certificate suitable for state board audit.

About Face Dental Seminars

Eileen Morrissey, RDH, MS is a dental practice coach / consultant in Clarksburg, New Jersey. Her background in dentistry and health care includes clinical, educational, management and marketing experience in a variety of settings.

She holds an A.A. in Dental Hygiene from Fairleigh Dickinson University, a B.S. in Dental Hygiene from the University of Rhode Island, and a M.S. in Health Care Management (Marketing) from Salve Regina College.

She lectures nationally, and provides customized workshops for doctors and their teams. She is a national AGD provider, and serves on the faculty of Burlington Community College as a lecturer and clinical instructor.

She has published articles in Dental Economics, The Seattle Study Club Journal, the Journal of New Jersey Dental Association, Modern Hygienist and RDH. Watch for her "Ultimate Recare" series of articles in *Modern Hygienist*. Eileen continues to practice clinical dental hygiene.

"My business is facilitating change in yours!"

TESTIMONIALS:

"Eileen, your enthusiasm is contagious. Tonight's program made our hygiene department realize a serious need to systematize our hygiene protocol. Thank You!" *Anita Kochis, RDH, Boonton, NJ*

"Eileen, the best surprise for me was hearing how much Dr. V. got out of the program. This is the man who didn't think he'd learn anything new from a hygienist speaker!" *Lois McNamara, RDH, N. Kingstown, RI*

"You are a captivating speaker. Having the handout was great so that we didn't have to worry about writing every little thing." *JW, RDH, Peabody, MA*

"Loved the personal stories, shows you are truly hands on..." *anonymous comment, Taunton, MA*

"That was by far the most enjoyable and most informative CE course I have taken."

Susanna Henry, RDH, Parsippany, NJ

"You gave a very dynamic, thought provoking course." *Dr. Peter & Claire Baragona, RDH, Parsippany, NJ*

"You bring class to the hygiene visit; it is much appreciated. Too often, our work can feel like that of a cleaning lady...your course brings it all to a new level." *Lori Saporito, RDH, Hopewell, NJ*
